WORK EXPERIENCE

SLALOM

I joined the in-house team in September 2018 to help develop the visual language for the brand and to provide consistent print and digital experiences. After we relaunched the brand, I led design on marketing campaigns, global events, website updates, social media campaigns, and other branded collateral. Additionally, I created the visual direction and subsequent editorial art direction, design, and illustration for the Studio's publication "The Slowdown".

ART DIRECTOR: 10/2019 – PRESENT
